

## Full-Circle Learning Needs

**\$50** will help keep the lights on and the computers running to receive the requests that come in 24-7

**\$100** will offset a portion of the transportation or supplies for a service learning project

**\$500** will help offset project support (curriculum, staffing, supplies, accounting, insurance, etc.) for a school

**\$1,000** can fund a teacher for an overcrowded global school

**\$2,500** will provide travel expenses to train a network of international schools

**\$3,000** will secure a US project with half a year's classroom support

**\$5,000** can better ensure long-term sustainability and project support for connecting schools worldwide
